Subway Surfers (MOD, много монет/ключей) - легендарный раннер для андроид устройств. Главный герой - Джейк, решил побегать по железной дороге, но его заметил полицейский, ваша главная цель - убегать от него используя скейтборды и разные усилители. Бегайте по поездам и уклоняйтесь от них. Улучшайте своего героя новой одеждой и экипировкой. Обновлено до версии 2.19.1! Subway Surfers (MOD, unlimited coins/keys) - the famous runner, which continues to gain popularity among players around the world. The user will manage the boy Jake and his friends, followed by the evil inspector. To escape from him, the characters have to perform an endless race. In the process of running, the player must move the character in three lanes with swipes and gestures, help to jump over obstacles and bend down. Along the way, the heroes will collect coins, with which you can unlock other runners and various accessories. Also on the way are cool bonuses like surfboards or rocket portfolio. Additional Information from Google Play: Download the latest version of subway surfers mod APK for android and become the best running games are top-rated from many years ago, and their popularity is also increasing with time. There are many most played endless games available. but some are the most modern games like temple run series and defiantly subway surfers mod APK. Today in this article, we will discuss the subway surfers and all the features and steps to play. AFK Arena Mod APK (Unlimited Gems+Money+Diamonds 2020) Latest Version The game was released in 2012 when the game gets immense popularity and is the most downloaded game on the play store. Furthermore, there are billions of downloads, but the game is straightforward to play also very addictive due to outstanding graphics and background music. Millions of players worldwide love this game, and it's one of the top-charting matches over the years. In addition to this, the game's story is that you have to escape from the police chase after putting the graffiti in the subway. You don't need to move the character in the game, but it will run automatically as other endless running game temple runs. But the difference in this game is that the obstacles you will face are walls, trains, and cones along site running. It would be best if you also collected coins on your way. These coins and power-ups give you a temporary advantage in the game, and after running some time, the game will become faster, and you have to escape from the police and secure yourself from obstacles. The main goal is to make a world record, but it's not that easy as millions of other players are also trying to make the record. Features of subway surfers mod APK Different characters There are many cute characters in the game, but when you start playing the game, you have only one essence with the name of Jake. Jake is a naughty boy who continually gets caught by police for some mess, and he and his friends try to escape from the police to get some fun. There are different friends of Jake like Tricky, Fresh, Spike, Yutani, Frizzy, and many more, so you can collect all these characters to get whole fun. Simple and easy controls One of the main reasons for this game's success is that the controls are straightforward and easy to understand. You don't need to press any button to move the character but only need to swipe up, down, right, and left on the screen to maneuver your name. On the other hand, to activate the power-ups, you need to double-tap on your mobile screen, and that's all to play the game. Power-ups in the modified version we are providing, which are free to use, and you can also pick the sneakers, which is very helpful to run faster. If you want to pick all the coins, you can use the magnet tool, automatically selecting all the cash for some time. Jackpot tool is a fun tool that can fly you in the sky where you can use the magnet tool, automatically selecting all the cash for some time. any obstacle. Outstanding graphics The subway surfers mod APK includes outstanding 3D graphics, which most of the game is designed very well and in full detail. Also, the policeman who is chasing you has a dog which is also realistic and horrible, so save yourself from this monster. Different places every time, and each update brings new locations.
