Read each sentence. Cut them out and put them in the right order. Glue them by the numbers.

Finally, SMILE and show your sparkling clean teeth!

Then, spit and rinse your mouth with water.

Next, put the toothpaste on your toothbrush.

First, get your toothbrush and toothpaste.

Start to brush your teeth up, down, back and forth.

Get the brush wet with water.

Once you order a custom written essay, our administrators will assign your order to the most gifted writer, who has the best skills and experience to prepare your specific task. You can also request one of these additional features: Choose the Writer Samples option - study 3 randomly provided pages of orders that have been written by the assigned writer. Request a specific writer - choose an academic writer from the drop-down list in the form of the order (optional for returning customers). You can rest assured that your custom writing order will be placed by one of our more than 400 professional academic writers. They all pass a series of tests to prove their writing process and maintain the reputation of being the most professional in the industry. Want to make sure your writing skills match your needs?
