When you want to look up your song by artist, this is the site to do it. The archive is sorted according to artist, album, discography, videos and concerts. AZ Lyrics Although the homepage may not look like much, it boasts more than 300,000 song lyrics by more than 7,000 artists. What is nice about this website is that if you only know a part of a song but don't know the title, just type in the lyrics that you can remember and the site will find the song for you. Here's how to find lyrics on the site: Log on to [www.lyrics.com](http://www.lyrics.com). The only caveat to this site is the lyrics are also submitted by members and could contain some errors. Go to . Here's how you can search for lyrics on their website. Go to [www.metrolyrics.com](http://www.metrolyrics.com). Raghavendra Rao Music: M. LyricsMode This is a good alternative lyrics community site, especially if you're searching for current songs. Click on the particular title from the results. CC0/bruce mars/pexels It may seem easy to find song lyrics online these days, but that's not always true. Apart from the lyrics, you'll also get news, top hits and even upcoming releases from the most popular artists in the music industry. The key to finding the most accurate song lyrics online is to visit lyrics websites that publish official song lyrics. Lyrics You can't go wrong with lyrics from this popular website. Click on the song to sing it or print it. Recent updates and the latest additions are prominently displayed on the homepage. Scroll through the results to find the song. Type the song title into the search field at the top of the page. Search for the song in the results and click on it. Cross-reference the lyrics with other similar results for accuracy. Perhaps nothing can be more accurate than the official lyrics to a song. Searching for lyrics on the site is basically the same process as the previous two entries. Lyrics.com touts itself as the internet's largest repository of song lyrics, album information and videos from various artists. However, these sites may also post user-submitted content, including song lyrics, and that means the lyrics aren't always completely accurate. Browse the results for the specific song lyrics you want. Type the song title or the artist. In the search field at the top of the homepage, type the song or part of the lyrics to conduct a search.
