**Book Info.**  
2nd Ed. 2011, Rs. 795.00, Full Colour,  
954 pp, ISBN: 978-81-8191-356-2

**Key Features**

- 1 Concepts Clarified**  
The stress is laid on proper exposition of underlying concepts & the "how" & the "why" rather than on mere presentation of facts.
- 2 Well Organized**  
Great deal of care has gone into the organization of the content in the form of headings, subheadings, tables, & additional material.
- 3 Gold Standard**  
The wealth of information and rich explanation makes it the gold standard book & it will prove to be of enormous value.
- 4 Clear Presentation**  
The book is well thought-out and clearly written so that it is easy to understand. Difficult principles are made easier to assimilate by correlating with real-life similes.
- 5 Strong Foundation**  
The relevant functional anatomy, pathophysiology and disease manifestations is discussed so that the reader can better comprehend the pharmacological principles. This will also lead to better retention and recall.
- 6 Precise Terminology**  
The meaning and derivation of pharmacological terms is provided. Confusing terminology is sorted out, like the relation between hydrocortisone, cortisol, cortisone, and corticosterone.
- 7 Mechanism of Action**  
Mechanism of action of drugs is discussed threadbare and in-depth so that one can better grasp the pharmacological effects.
- 8 Facts & Figures**  
Complex data and theory are simplified in the form of tables & illustrations so that the student is not confused and it further assists in the understanding of the main text.
- 9 Special Topics**  
Special and important topics hard to find are also featured, like the pharmacotherapy of shock, stroke, obesity and care in the use of drugs in the elderly, and in pregnancy and lactation.
- 10 State-of-the-Art**  
Provides cutting edge information not only on the most recently introduced drugs but also on ones that have promise and are likely to be introduced in the near future. It is the most state-of-the-art treatment of the subject currently available.
