Used in Breeding See Shrubb. Strategy To see how efficient Rare Shrubb is at generating resources compared to other monsters check: Plant Island, Fire Haven Names To see all possible names for Rare Shrubb, see Monster Names. Costumes Main article: it dressed up as a clown, styling multiple colors. It has green dreadlocks and shoes with green swirls. Instead of having spots, it has triangles. This outfit was repeated for the 2017, 2018 and 2019 seasons. Yay In December 2015, the Rare Shrubb wanted to mimic its common counterpart and it too, put on a Santa hat. This was repeated for all subsequent seasons. Notes Rare Shrubb Arrived The possible nicknames "Damian" and "Ziggy" are references to Damian and Ziggy Marley, sons of famous reggae artist Bob Marley. This Monster was the first monster to be featured in the 5th Anniversary Month's "In Rare Form" Promotion. May 19, 2021SteamGuides0My Singing Monsters -Complete Guide to Monster Breeding 1 - steamlists.comIntroduction Breeding is probably the most essential component of this game. This guide will list out all possible breeding to breed them. Combos that are bolded are the ones that I recommend. 2. Rare monsters are bred in the exact same manner as their normal counterparts (except for single-element). Rare monsters can also be used in breeding attempts in place of their natural counterparts. 3. In terms of breeding, Epic monsters are the exact opposite of rares. They have very specific breeding combos for each island they are present on, and cannot breed the means that the Noggin and Mammott are the parent monsters) to higher levels and to light up the Wishing Torches. 5. Failure breeding listed should be decently possible to obtain in this manner (I may be wrong). 6. Check out 400 for information on breeding times for monsters.
