Various bug fixes to keep your slingshot well polished and in good working order!Main Bug Fixes:- level instabilities in Episodes 7-10- points counter for Eagle Score- issues with internet connection- issues with power ups The developer, Rovio Entertainment Oyj, indicated that the app's privacy practices may include handling of data as described below. For more information, see the developer's privacy policy. The following data may be collected but it is not linked to your identity: Privacy practices may vary, for example, based on the features you use or your age. Learn More Developer Website App Support Privacy Policy Com um argumento meio maluco (porcos que se dedicam a roubar os ovos de alguns pássaros e depois ficam bravos) a empresa finlandesa Rovio lançou na época o quebra-cabeça de lógica e habilidade que se tornou o primeiro grande sucesso mundial do jogo mobile. Obviamente, estamos falando do Angry Birds Classic, cuja primeira versão ainda é tão válida quanto a do primeiro dia. O que é Angry Birds e como jogar? Bem, como dissemos, é um jogo de quebra-cabeça lógico que se baseia em lançar os pássaros com uma catapulta contra as estruturas onde os porcos se refugiavam. Você tem que ter diferentes aspectos no cálculo dos tiros, como a força no momento do lançamento porque influencia a parábola ou o local onde queremos que ela atinja dependendo da estabilidade da construção a ser destruída. O objetivo final é que os porcos morram de qualquer maneira. Diferentes pássaros estão disponíveis para o jogador que atuarão como projéteis: o pássaro amarelo, o pássaro vermelho, o pássaro preto... cada um é uma arma diferente neste desafio para matar os porcos que roubam ovos. Esta é a versão para Android de Angry Birds, tão bem-sucedida quanto a do iPhone, e você está com sorte porque se quiser baixar Angry Birds para PC não precisará baixar o APK e lutar com BlueStacks ou um emulador similar. Destrua as estruturas dos porcos jogando os pássaros nelas. Características principais No jogo você encontrará os seguintes recursos e funções principais: Mate os porcos atirando nos pássaros, sempre levando em conta a influência das leis da física na trajetória. Pássaros com poderes exclusivos. Power ups como o Mighty Eagle, um pássaro com poderes sobrenaturais capaz de matar todos os porcos de uma só vez. Desbloqueie o conteúdo secreto. Centenas de níveis para superar com atualizações contínuas. Quais pássaros estão em Angry Birds? Oferece-nos uma gama bastante ampla de aves que podemos usar, embora nem todas estejam disponíveis em todas as fases e, mesmo assim, costumam aparecer em várias quantidades. A lista completa de aves é a seguinte: Pássaro vermelho: o modelo básico, sem nenhuma característica especial. Pássaro amarelo: ao clicar nele, ele acelera por um momento, destruindo os materiais frágeis que encontra, como madeira e vidro. Pássaro azul: Este passarinho se divide em três quando você clica nele, destruindo os porcos e os cristais em seu caminho. Pássaro preto: este pássaro pesado explode logo após entrar em contato com um obstáculo, ou quando clicamos nele, destruindo absolutamente tudo ao seu redor. Pássaro branco: durante o voo, podemos clicar nele para liberar um ovo explosivo que destrói quase tudo sob ele. Pássaro verde: este pássaro muda a direção de seu voo quando clicamos nele, fazendo um efeito bumerangue e tendo muito mais poder destrutivo. Pássaro grená: Como o pássaro vermelho, mas muito maior e mais destrutivo. Pássaro laranja: a mais recente adição ao esquadrão, começa muito pequeno e indescritível, mas quando você clica nele fica gigantesco. Este jogo se tornou uma franquia de sucesso que deu origem a novos jogos dentro da saga, como Angry Birds 2, Star Wars, Evolution, Go, Epic... e, claro, seu filme, desenhos animados e todo tipo de merchandising, como camisetas, xícaras de café da manhã e mil e uma bobagens caracterizadas pelos porcos e pássaros que protagonizam o jogo. Angry Birds is a fun, puzzle game based on destruction and revenge that the birds will take from the Pigs for stealing eggs. You play the game from the Angry Bird's perspective, and you need to get your eggs back from the green pigs. The fate of the Angry Birds is at stake. Be the one to take revenge on the greedy pigs who have stolen their eggs. Annihilate the pigs by destroying their defenses with the unique power of each bird. With this game, play through the challenging and a physical gameplay for hours. Moreover, each level of the Angry Birds needs not only skill but logic and force for solving it. You will need to drag and tap your finger on the screen to aim and launch birds out of a giant slingshot. The aim is to collapse the structures and destroy the monkeys and pigs that are hidden on and inside them. At the start of the game, the structures are less complicated and easy to break. But as the game progresses different materials reinforce the structures such as Ice, wood, and rock. Which makes the game interesting and hard. But don't worry because your birds also have certain abilities to take down the hardened structures. Each type of bird has a different killer move. For example, the yellow bird flies through the air like a rocket, and the round blackbird acts like an exploding cannonball causing heavy damage. And if you fail to take down the pigs then don't worry. Players can retry a level as many times as they want without penalty, leaving them free to experiment with different strategies. The game features challenging physics-based gameplay and hours of replay value. Each level requires logic, skill and force to solve. If you get stuck in the game, you can purchase the Mighty Eagle! Mighty-Eagle is a one-time in-app purchase in Angry Birds that gives unlimited use. Features: Some of the basic features are as follow 15 unique and original episodes with 680+ levels. Enter the "Mighty league" and compete against other users. "Power Ups" to boost the strength of your birds. Play even offline. There are a total of 150 levels and a set target of 3 stars on each level. A single star will open the next level but all 3 will give you extra bonuses. The game tends to be very addictive for new users. If you want to know more about Angry Birds then you may visit rovio help center for more information. Some games like Angry Birds are Fruit Ninja, Temple Run, Minecraft: Pocket Edition Demo, Angry Birds Action!, Angry Birds, Dan The Man, Don't Tap The White Tile and Jetpack Joyride. If you want to write a review then install this app and rate on our website. The download is hassle free as our speed is fast and we offer direct links to all the available versions of the Angry Birds free.
