**The Door Guard**

I work as the guard in the door. My job is to guard the door  
and to let people in and out of the house.  
For four years I have been working for the school.  
Nobody else can go in or out of the door.  
But the door is not a guard. It is a door.  
From the door I see the world with many  
from the door. And yesterday the door was broken.
